

Jack D. Hughes Memorial Park Sponsorship Opportunities

Jack D. Hughes Park has been around since the early 60's. The years had taken its toll on the park, so in 2000 Pineville decided it was time for major renovations. After much anticipation, we held a grand opening celebration for the completion of Phase II. Phase II of the park boasts one multipurpose field for soccer/lacrosse/football, two softball fields, three picnic shelters, a playground and 1.5 mile walking trail - Jack D. Hughes Park has something for everyone! The showcase area of the park features a collegiate-size baseball field, offering grandstand seating for 250, a press box and concessions making Pineville home to one of the nicest ball parks in the area.

The park currently hosts multiple tournaments during the summer months, and is the home field for Charlotte Catholic's baseball and softball teams. Legion baseball, as well as adult league play, are sure to fill the grandstands with thousands of visitors to the community each year. Pineville Parks & Rec is excited about the addition of this park and needs the help of local businesses to make it a true success.

Wall of Fame Signage -

- Show your support of the community and become a member of the "wall of fame" with your company's name and logo on the outfield fence.
- Banner dimensions approximately 6.5' high X 32' wide
