## **Pineville Electric Substation Maintenance Monday, May 9, 2016 at 4:00 AM**

Pineville Electric will be conducting substation maintenance on the date indicated above. During this maintenance we expect service to be affected for approximately 15 minutes as long as we do not encounter any unforeseen issues. See below the areas and traffic lights that will be affected.

### **The following areas of Town will be affected:**

Carolina Village

Carolina Crossing

McCullough

Parkway Crossing

Pineville Forest

Meadow Creek Apartments

Sabal Point Apartments

Grace Life Church

Pineville School

All streets below railroad track heading out of Pineville toward South Carolina

All streets within the heart of Pineville

Town Centre Blvd

Lancaster Hwy

### **The only traffic lights that will be affected are:**

Intersection Carolina Place Parkway and Lancaster Hwy

Intersection Leitner Drive and Hwy 51

Thank you for your patience during this process.
