Pineville Town News

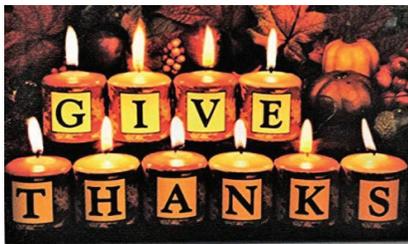

What's Happening... *It has been a strange year, indeed. A lot has happened and yet it feels as though nothing has happened since the Covid-19 Pandemic was declared. A year frozen in time. A year many of us would like to put behind us and forget.*

As we look back on 2020, much of it was spent at home isolated from others. Our homes became and continue to be our "new work spaces". For some, a nice break from the office environment with the comforts of home close by being able to use your own bathrooms, food at your fingertips, frequent breaks or stepping outside to enjoy some air or to sneak in an extra walk with your dog to break up your work day.

For others - too much isolation, boredom, not enough to do, along with a lot of cleaning up and clearing out. Reports of extra stacks of garbage, trips to the dumpster and overflowing piles of furniture and other household items at donation centers, all part of the effects of the Pandemic of 2020. Life has changed for us all in different ways; from how and where we work to how and where we learn. So many questions, "what if's", and unknowns. Unknowns of how we will conduct business or recreate in the future. Most of the town's facilities have been closed to the public with activities, programs and trips cancelled or postponed and Council Meetings held via ZOOM. We are finally (and slowly) just now able to re-open some recreational activities. Not everything is ready to open just yet, but of those things that are, we are adhering to CDC and NC Covid-19 guidelines, cleaning more frequently, maintaining a six-foot distance from others, and wearing face masks whenever possible.

We are asking the same of anyone that visits and/or participates in any of our programs or activities. The Belle Johnston Community Center, along with all other town buildings (when they finally open), will clearly state that masks will be required in order to enter the building. Other restrictions may apply such as limiting the number of participants in a classroom or activity. Please abide by these requirements as our Parks and Recreation Department is working hard to bring unique programming and activities to our residents and children during these unusual times in as safe a manner as possible. Not all activities are open just yet so be sure to read carefully what is and what is NOT currently being offered. Some programs will be altered - we will not be having a Halloween Bash as we have had in the past but offering an outdoor movie instead. Unfortunately, at this time, we do not know what activities will be held during the holiday season - the annual Tree Lighting, Breakfast with Santa or even if Santa will ride through town on Christmas eve or not as the health and safety of our residents must come first. All we can do is suggest following the Parks and Recreation Facebook and Instagram pages and the Pineville Volunteer Fire Department's Facebook page, along with updates on the town's website at: www.pinevillenc.gov. Additionally, look for updates and information on or in your Pineville Electric bills.

We won't be publishing again until January, 2021 so we would like to take this time to wish everyone a very Happy Holiday Season. Please continue to practice safe measures and stay well. We'll see you in the New Year, along with a new Trash Schedule.

It's Here!
JUNK WEEK is back... See page 7 for details!

HOLIDAY SCHEDULE:

TUESDAY, NOV. 3
ELECTION DAY
Please get out and vote!

WEDNESDAY,
NOVEMBER 11
VETERAN'S DAY.

All town offices will be closed in honor of those that have sacrificed their lives for our freedom.

THURSDAY & FRIDAY, NOVEMBER 26 & 27

All town offices will be closed so employees can enjoy **THANKSGIVING** with their families and loved ones. Happy Thanksgiving, all.

THURSDAY, FRIDAY & MONDAY, DECEMBER

24, 25 & 28.
All town offices will be closed for the **CHRISTMAS HOLIDAY.**

★ ★ ★ ★ ★ ★ ★ ★ ★ ★
There will be only one Council Meeting held during October and that meeting will be held on **Monday, October 26, 2020 at 6:30 p.m. at the Hut.** There may be a limit as to how many people can attend and masks are mandatory to attend this meeting.

PLEASE NOTE: Trash/Recycle pickup will remain on the regular Wednesday schedule for the remainder of the year. There are no holidays that should impact the schedule at all. Look for the new schedule which will be printed in the Jan-Feb-March, 2021 Newsletter.

STORM WATER NEWS

Did you know that storm drains lead directly to our waterways? Most of Pineville drains into Sugar Creek, which then flows into South Carolina and empties into the Catawba River. Keep that in mind when disposing of motor oil and other household hazardous wastes. These wastes should be disposed of by pouring them into a sealed container, not the storm drainage system. Make sure to label the container with its contents, then you can take it to any of these Mecklenburg County Solid Waste facilities for disposal:

- **FOXHOLE RECYCLING CENTER**
17131 Lancaster Highway, Charlotte, NC 28277
- **COMPOST CENTRAL AND RECYCLING CENTER**
140 Valleydale Road, Charlotte, NC 28214
- **HICKORY GROVE RECYCLING CENTER**
8007 Pence Road, Charlotte, NC 28215
- **NORTH MECKLENBURG RECYCLING CENTER**
12300 Statesville Road, Huntersville, NC 28078

Remember that only rain should go down the storm drain. For more information including volunteer opportunities, visit StormWater.CharMeck.org. To report stormwater pollution, call 3-1-1 or use the CLT+ app.

THE PRESIDENT JAMES K. POLK STATE HISTORIC SITE

The President James K. Polk State Historic Site will welcome visitors back into our Visitor Center and historic structures beginning on September 12, with some new procedures in place to help ensure the safety of staff and visitors, including:

- Limiting visitors to 50% of occupancy, to allow a comfortable visit to the Visitor Center and historic structures.
- Requiring cloth masks to enter the Visitor Center and historic structures, as outlined in Executive Order 163.
- Installing hand sanitizer stations and increasing the frequency of cleaning high touch public areas and restrooms.
- Installing protective barriers at sales counters and information desks.
- Interactive exhibit features will be paused or modified.

Visitors are expected to follow the "Three W's" as outlined by the N.C. Department of Health and Human Services. **WEAR** a cloth mask over your nose and mouth, **WAIT** in line at least six feet away from others, and **WASH** your hands frequently or use hand sanitizer. If you are experiencing symptoms of illness, we ask that you postpone your visit.

We will be offering tours of the historic structures at 11:00 am and 2:00 pm daily Tuesday through Saturday. Tours will be limited to 10 people and require pre-registration either in person or online at www.jameskpolk.net. **We look forward to seeing you soon!!**

Parks & Recreation

All classes & programs will adhere to CDC and NC - Covid 19 guidelines.

Covid-19 Updates –Check website www.pinevillenc.gov. You may also check for updates on our Facebook (Pineville Parks and Recreation) and Instagram ([pinevilleparknrec](https://www.instagram.com/pinevilleparknrec)).

ATTENTION PINEVILLE RESIDENTS: If you live within the city limits of Pineville and pay your taxes to Pineville, then you may use the Belle Johnston Community Center for FREE (Fitness Equipment, Weight Room, Track, and Basketball Court). First you need to get your resident card made. We will need proof of residency in the form of a photo ID with current address and a recent bill (ex. gas, electric, telephone). You will have to renew your card every year.

Think of fall as the start of a new year. Rather than waiting until January 1st to set goals and make fitness and health promises, why not start now? Create healthy habits now, and you will be looking and feeling great when the hectic holiday and winter season arrives.

Pineville Parks and Recreation offers citizens endless opportunities to achieve your fitness and wellness goals at our indoor/outdoor walking tracks, playgrounds, gym, fitness classes, athletic fields, and more. For more information on our health and fitness opportunities check out our website www.pinevillenc.gov or call 704-889-2400.

PPR Health & Wellness Tips: Take some time to yourself. Autumn and winter are the Earth's way of telling us to slow down. Start a journal or track your moods to get more in touch with how your feeling. **Boost your immune system.** You can do this by drinking plenty of water, washing your hands often to prevent sickness, and eating nutritious foods. **Stay active!** It can be easy to just sit around all the time, but it's important to get in some movement throughout the day. Raking leaves counts!

At press time basketball is not allowed because it is considered a contact sport. The indoor walking track and weight room are open. Check website www.pinevillenc.gov. You can also find us on Facebook (Pineville Parks and Recreation) and Instagram ([pinevilleparknrec](https://www.instagram.com/pinevilleparknrec)) for updates, dates and times.

Our Group Fitness classes are a great way to get a work out in while meeting new people.

BOOTCAMP WITH LIA

Classes take place outside in the parking lot of the Belle Johnston Community Center. Participants bring their own weights and mats, no requirement on how heavy weights are. It can be whatever weight participants are comfortable with using for an hour.

I am a native Charlottean and working in sales before becoming a personal trainer two years ago. When I'm not training clients, I'm at home running around with my almost 2 year old Asher and my dog Stella. I'm also training to become a certified labor doula, to help women in other facets of health and wellness when I'm not training. When I'm not having fun with clients, I can be found binge watching some of my favorite shows, including Wentworth and Grey's Anatomy, among others. I also love to curl up with a good book. When I'm not reading or having a binge-a-thon, I love all things crafts and love to crochet when I have the time. I also love to cook and bake, and have tried a few international delights, like macarons and made from scratch croissants. I love all things health and fitness and look forward to meeting you for a nice workout.

Location: Lake Park – 1000 Johnston Drive
Days/Time: Monday/Wednesday/Friday (5:15AM – 6:15AM)

KARATE/MARTIAL ARTS

CHECK OUR WEBSITE (pinevillenc.gov), **Facebook** (Pineville Parks and Recreation) and **Instagram** (pinevilleparknrec) for dates when Karate will resume.

CHEERLEADING PROGRAM

At the Belle Johnston Community Center (1000 Johnston Drive) Cheerleading is back but with restrictions... In order to social distance this class will be limited to 25 students. There will be NO touching other students during class.

Promoting good sportsmanship and SPIRIT, students will also have the opportunity to participate in Champions in Motion Special Cheer Events.

Champions In Motion combines Pom dance and Cheerleading into one program. Students are taught cheerleading techniques such as short chants, arm motions, jumps, kicks and stunting techniques.

Students are also taught a special long team performance cheer and cheer dance routine (with use of poms) each semester that is presented by each team at the Cheer Showcase.

We have incorporated the most modern and current dance techniques into our curriculum, and developed teaching methods that work best for children and teens.

Cheerleading is a TEAM-ORIENTED sport and we encourage students to demonstrate teamwork, sportsmanship and dedication to being part of the team while participating in our program.

Registration (Ongoing) & First Class: October 1st

QUEEN CITY MODEL YACHT CLUB

Racing and Sailing is temporarily halted due to blue green algae at the pond. Check website for updates when sailing will resume. www.queencitymyc.com.

PLEASE JOIN US AS WE SOCIAL DISTANCE AND SET SAIL!

When we do resume, we will be practicing social distancing while sailing. You are invited to come and watch or try your hand at sailing radio control model sailboats at Pineville Lake Park.

We have sail days (practice races and tune-ups) on most Wednesdays and Sundays from 10:30AM to 12:30PM. We have race days on most Saturdays from 10:30AM to 12:30PM. Occasionally we will host intra-club and/or regional Regattas at our site too.

You can sail any boat with us during sail days (Wednesdays and Sundays) but we race the Kyosho Seawind on race days (Saturdays and Regattas). The SeaWind Readysset comes with pre-painted ABS hull in a blue-white color scheme and rigged ready to assemble with installed electronics and a 2.4 Ghz radio. The SeaWind Readysset can be purchased at discounted prices on Amazon.com and other online stores. The quality of design and fittings continue to make the SeaWind an excellent fleet boat with enough performance potential to satisfy even the most discriminating skipper. The SeaWind COA has demonstrated a strong organization with active fleets in all AMYA Regions and an active annual program of Regional and National Championship Regattas. The Class Rules tightly control the boat elements to ensure new skippers are not faced with a costly refit to be competitive while allowing minor modifications to rigging (materials and adjustment methods) to facilitate tuning and to the hatch cover to ensure watertight integrity. If you are interested in having some fun and making new friends contact us via our website: www.queencitymyc.com or by email at: qcmymc342@gmail.com or stop by.

Update on Town Projects:

PINEVILLE TOWN HALL AND LIBRARY PROJECT Pineville is currently accepting bids on this project. We anticipate ground breaking happening in late October or early November. This project will be a joint partnership between Mecklenburg County-Library System-Pineville. The first floor will be the location of the Library and the second floor will be Town Offices.

CONE MILL Demolition of Cone Mills is continuing. The crew is currently constructing two state mandated temporary retention ponds. Over the next several months the contractor will be removing the concrete slabs and crushing them on-site so the Town can use the aggregate in projects. This will save the Town and taxpayers money because

we will not have to purchase rock. This means that there may be some noise from the rock crushing machine in the area. The material will be used for the base at the new Town Hall and for the development project at Cone Mills.

JUNK WEEK IS FINALLY HERE! ONE WEEK ONLY! OCTOBER 19-23, 2020

It's the week you have all been waiting patiently for. The week when our Public Works Department rides through town to pick up any old, unwanted items and it's here for one week only. This is not a service offered by our trash collection company; this is a service offered free of charge from the Town to its residents. Public Works employees ride through town each day during this week to pick up your unwanted items. There are restrictions and we ask that you abide by them so that we can continue to offer this service to our residents. Please follow these guidelines that have been put in place:

- Minor renovation, flooring and other construction debris is acceptable ONLY if it is a reasonable amount; metal or wood posts or planks should not exceed 4 feet in length and all nails or other hazardous items removed or nailed down safely for pickup without injury
- Absolutely no excrement, bodily fluids or other biohazardous material of any kind will be picked up
- We can no longer pick up paint or petroleum products of any kind
- Items must be taken to the curb for pickup; employees are not permitted to go into your house to remove items or move them for you. Additionally, we do not want to take town trucks into your alleyways so please take your items to the front of the house to be picked up safely and easily
- Separate glass or other breakable items from any wood, metal, plastic or other products you put out at the curb
- Town employees have the right to refuse pickup of items they deem unsafe or hazardous

As long as these rules are followed and good, common safety sense is used, this program will continue to run. We appreciate your cooperation.

FALL CRAFT

BEANBAG TOSS PUMPKINS This creative idea doubles as a game you can play with your kids! Start by cutting large holes in the bottom of two pumpkins; scoop out the pulp and seeds. Trace a face on the pumpkins, then cut out the faces. Stack the pumpkins and use skewers to help hold the top pumpkin in place. Toss beanbags into mouths and enjoy! 10 points for bottom, 20 points for top.
