TRASH & RECYCLE REMINDERS

Two rollout containers are provided to residents: one for household trash and one for recyclables.

Regular household trash is picked up each Wed.; recycling is picked up every other Thursday except during major holiday weeks – please check schedule at left.

Bulk pickups need to be scheduled directly with Signature Waste. Please call 704-714-9400 to schedule pickup. If you have more trash than exceeds the size of the cart, it's also a good idea to call it into Signature Waste so they are aware of the larger than normal amount.

Only yard debris generated by the homeowner will be picked up if stacked neatly in small piles at the curb. Contractor doing yard work for homeowners are required to remove the debris they generate. Leaves should be bagged and left curbside for pickup. Please note: depending on how much yard debris/leaves you have Signature Waste may not be able to collect all of it at one time. The size of their trucks is limited and there are many homes that they collect from, so they can only pick up so much in one week. If they only collect part of your debris, they will collect the rest the following week. Absolutely no construction debris will be picked up.

No TV's, computers or related electronic equipment can be picked up due to state law. Residents must dispose of on your own. These items can be taken directly to the Fox Hole Recycling Center located at 17131 Lancaster Hwy. (704) 341-4962.

Rollout containers should be brought to the curb by 7:00 a.m. on pickup days and must be removed from curb and stored out of sight within 24 hours of pickup.
