JANUARY • FEBRUARY 2019

## Happy New Year!

*We said good-bye to 2018 and welcomed in another New Year! Hopefully, the holiday season was a good one for all and that you were able to spend time with family and friends. As we leave the holiday madness behind, let's move forward into 2019 with renewed optimism for a productive and prosperous year ahead.*

New Year, new look? We would like to take this time to remind you that there are still a limited amount of funds remaining in the Community Beautification Grant Program. These funds are available for both residential and commercial properties. This is a dollar-for-dollar matching grant with a maximum of \$1,000; funds are on a first-come, first-served basis until the allotment is depleted. Only projects that are prominently visible to the community will be considered. Funds are intended for lasting improvements to the community. More permanent improvements (such as hardy wood siding) will be considered more favorably than short-lived projects that may not be as permanent (like landscaping). Applications can be obtained at Town Hall, M-F, 8am-5pm. Please contact Town Planner, Brian Elgort, at (704) 889-0504 or [BElgort@pinevillenc.gov](mailto:BElgort@pinevillenc.gov) with any questions you may have.

January usually signals the start of budget planning for the upcoming fiscal year and this year is no different. Your Council Members work very hard to ensure your tax dollars are spent wisely while continuing to provide the programs and services that are important to our community as well as protect and serve our citizens in the best way possible. There will always be hurdles to overcome but there will always be a dedicated group of individuals working diligently to overcome them.

*Cheers and all the best for 2019!*

## MECKLENBURG COUNTY NEWS

### Storm Water News

#### Storm Drain Marking Kits Available

Did you know that water that enters the storm drain goes straight into the nearest stream?

There is no filtration process associated with the storm drain system. Whenever it rains, the storm water will carry litter, grass clippings, fertilizers, dog waste and other loose debris with it into the nearest storm drain, and then on to the nearest stream.

Therefore, it is important to properly dispose of items in your yard.

Charlotte-Mecklenburg Storm Water Services (CMSWS) has storm drain markers or decals that citizens can glue on storm drains to educate others about the storm drain system. These markers say,

**“This Drain Is Only for Rain. Do Not Dump – Drains to Creek”**

You can call 3-1-1 and request to have a storm drain marking kit mailed to you.

This kit will come with 12 markers, adhesive, gloves, a safety vest, and a datasheet so you can mark your neighborhood or the drains at your work.

Once you are done with your storm drain marking project, you will email or mail your datasheet back to CMSWS, so we can update our online coverage map that shows which streets throughout the county have been marked. The goal is to have every drain in the county marked. Help us minimize surface water pollution in our waterways!

## The NC Housing Finance Agency is funding the 2019 URGENT REPAIR PROGRAM

The NC Housing Finance Agency announced that it was making a total of \$4.5 million available for the 2019 Urgent Repair Program (URP19). Our Urgent Repair Program (URP) finances emergency home repairs that threaten your life or safety, such as failing septic systems, dangerous heating systems or rotten floors. The program can also pay for accessibility modifications that allow you to remain in your home after an injury or serious illness.

Program funding enables recipient organizations to provide deferred, forgiven loans of up to \$10,000 for emergency home repairs and modifications to very low-income, owner-occupied homes. Eligible households are those with one or more fulltime household members with special needs (e.g., elderly, disabled, and/or Veteran fulltime household members or a child 6 or under with an elevated blood-lead level). Household incomes cannot exceed 50% of area median income.

Application forms and guidelines will be available on the Agency's website at [www.nchfa.com](http://www.nchfa.com) after November 27, 2018. Completed applications must be received at the Agency by 5:00 PM January 28, 2019. For more information, please call Mike Handley, 919-877-5627, Chuck Dopier, 919-981-5008, Donna Coleman, 919-981-5006, Kim Hargrove, 919-877-5682, or Dan McFarland, 919-875-3753.

# Parks & Recreation

## ATTENTION PINEVILLE RESIDENTS:

Attention Pineville Residents: If you live within the city limits of Pineville and pay your taxes to Pineville, then you may use the Belle Johnston Community Center for FREE (fitness equipment, track, and basketball court). But first you need to get your resident card made. We will need proof of residency in the form of a photo ID with current address and a recent bill (ex. gas, electric, telephone). You will have to renew your card every year.

It's that time of the year when most of us want to start the New Year with a fresh and clean slate. Every year, millions of people across the globe set New Year resolutions with

the hope of bringing a positive change in their life. For those looking to improve their health, the start of a new year is the perfect time to give up some of our unhealthy habits and adopt a healthier lifestyle. Pineville Parks and Recreation offers citizens endless opportunities to achieve your fitness and wellness goals at our indoor/outdoor walking tracks, playgrounds, gym, fitness room, fitness classes, athletic fields, and more. For more information on our health and fitness opportunities check out our website [www.townofpineville.gov](http://www.townofpineville.gov) or call 704-889-2400.

**PPR NEW YEAR, NEW YOU HEALTH TIPS:** Get Sufficient Sleep - This is the most obvious, yet often ignored, health tip. Most of us need nearly eight hours of sleep every night, yet so many of us neglect this basic need of our body. Drink Enough Water - This is another simple, yet oft-ignored, health tip. Dehydration can lead to various illnesses such as diabetes, damage to kidneys, chronic pain, and can even lead to mood disruptions. Take Control of Your Diet - This New Year, resolve to eat as much healthy food as you can. Minimize your intake of sugar-rich foods like colas, cookies, ketchup and ice cream.

## FITNESS EQUIPMENT & INDOOR WALKING TRACK HOURS:

Attention: We will be opening at 6:00am on Mondays, Wednesdays & Fridays during the cold Winter Months (Nov. - March). Too cold to walk outside? Come in the Community Center to use our tread mills or indoor track.

## Check out our updated weight room!

Mon./Wed./Fri. 6:00am-9:45pm

Tue./Thur./ 8:00am-9:45pm

Sat. 8:00am-5:45pm • Sun. 1:00pm-5:45pm

## OPEN GYM

Residents may bring guests during open gym hours (check website or call community center). The fee is \$5.00 per guest. Residents are responsible for the conduct of their guests and will be disciplined according to previously established park guidelines.

## NEW FITNESS PROGRAM – MOVE MORE PINEVILLE

What is Move More Pineville? Move More Pineville is an exercise incentive program for the Pineville community. Move More Pineville is open to anyone regardless of their physical activity level. The program is self-monitored which means that you will exercise at your convenience. You must be a Pineville Resident to participate.

Many experts believe that as little as 30 minutes a day of moderate physical activity can reduce your risk of a heart attack or stroke, and enhance your overall quality of life.

Complete a Move More Pineville log sheet found at [www.pinevillenc.gov](http://www.pinevillenc.gov) (Parks & Rec/Belle Johnston Community Center/Fitness Programs) or pick one up at the Belle Johnston Community Center and record 15 or more hours of physical activity in a month. Turn the log sheet in to Pineville Parks and Recreation at the Belle Johnston Community Center (1000 Johnston Dr. Pineville, N.C. 28134) by the 5th of the following month. Your name will be entered into the monthly prize drawing for a Gift Basket!

**EARLY BIRDS** - Come work out at the community center on Mon/Wed/Fri between 6am & 8am and you will get a free gift (1 gift per person).

Regular physical activity can improve health and reduce risk of premature death in many ways.

- Reduces risk of heart disease and stroke
- Lowers blood pressure and increases cardiovascular endurance
- Helps people achieve and maintain a healthy body weight
- Builds healthy bones, muscles and joints
- Helps older adults become stronger and able to move without failing

**There are 1,440 minutes every day...schedule 30 minutes for physical activity.**

- Park the car further away from you destination
- Play with children or pets
- Take fitness breaks - walking or doing desk exercises instead of a coffee or cigarette break
- Exercise with friends

To begin in Move More Pineville, all you need to do is begin exercising. You may walk, run, dance, etc. See the long list of activities that qualify below. You record the amount of time you exercise each day in minutes. For example, you walked 15 minutes on Monday and on Saturday you rode your bike for 30 minutes. Simply log your times on the log sheet.

## ACTIVITIES FOR MOVE MORE PINEVILLE

Any activity that increases your heart rate and you would consider moderate to heavy activity will count towards total hours. The following are some examples of physical activity for Move More Pineville.

|                     |            |                           |

*Our Group Fitness classes are a great way to get a work out in while meeting new people.*

## PINEVILLE'S BOOTCAMP

Our 55-minute sessions include a dynamic warm-up, workout, metabolic meltdown finisher, then a cool-down, and stretching period. This program has been proven to be the most effective training time for fat loss and building strength for men and women. Each participant works out at their own pace within the group. Pineville's Bootcamp instructor, Audrey Patton is a nationally certified personal trainer who will keep it fun and challenging while making modifications for individuals which makes the training more personalized.

Each training day, or workout, includes a run or cardio component, a resistance or strength-training component and a core-training component. Each component is designed to focus on speed, agility, power, strength, or endurance. Many of the exercises rely on body weight, but we also utilize equipment such as dumbbells, resistance bands, agility ladders, a partner's body weight, and other natural and man-made aspects of the park like stairs, benches, hills and the parking lot.

Our training weeks are designed so that there is minimal overlap in training different muscle groups. This allows for greater recovery and a highly efficient approach to achieving balanced, total-body fitness.

Moving through each 4-week session, we gradually increase the training intensity and volume to keep up with your body as it adapts to the training, ensuring that you'll receive the most out of every week you train.

This is a year-round program that delivers results while keeping it challenging, safe, sustainable, interesting, and fun for participants.

## RC SAILBOAT CLUB

### COME SAIL WITH US - RC SAILBOATS ON PINEVILLE LAKE

You are invited to come and sail a 1 meter Seawind or Dragonflite 95 radio controlled sailboat on Pineville Lake - Sundays, Wednesdays or Saturday mornings from 10 to noon. On Saturdays, we race Seawinds competitively from 10 to noon. We are now developing a Dragonflite 95 class as well. If you have a boat of any class, come by, have a little fun and meet some new friends. If you just want to see if you'll like the hobby, the Queen City Model Yacht Club has both boats and instructors available to introduce you to a relaxing and fun hobby. If you like it and want to buy a boat, we will be glad to give you the benefit of our experience along with tips on rigging and sailing. If you just want to sail and not compete, you can do that too.

The photos show two Dragonflite 95s, sail numbers 97 and 53. Also shown is a Seawind sail number 67.

If you want to just stop by and talk it over, contact Brendan Sullivan (Sully) race director at 1-(914) 715- 4296.

 = Household Trash Pickup Only     = Household Trash & Recycling Pickup

Pickup is delayed by one day during weeks of major holidays =  = New Year's Day, Memorial Day

The trash schedule above is only good through the end of June. At that time, our current contract with Signature Waste will expire and the town will have to go out for bid for a new contract effective July 1. Since we do not know who that company will be at this time, we can only print the schedule through June. Once the town has made it's final decision on what trash company they will use, the town will then publish that company's schedule for the remainder of the fiscal year (July 1, 2019-June 30, 2020). We will do our best to get that information to you as soon as it becomes available. In the meantime, here are some REMINDERS about the current trash pickup.

### TRASH & RECYCLE REMINDERS

Two rollout containers are provided to residents: one for household trash and one for recyclables.

Regular household trash is picked up each Wed.; recycling is picked up every other Wednesday except during major holiday weeks – please check schedule at above.

Bulk pickups need to be scheduled directly with Signature Waste. Please call 704-714-9400 to schedule pickup. If you have more trash than exceeds the size of the cart, it's also a good idea to call it into Signature Waste so they are aware of the larger than normal amount.

Only yard debris generated by the homeowner will be picked up if stacked neatly in small piles at the curb. Contractors doing yard work for homeowners are required to remove the debris they generate. Leaves should be bagged and left curbside for pickup. Please note: depending on how much yard debris/leaves you have, Signature Waste may not be able to collect all of it at one time. The size of their trucks is limited and there are many homes that they collect from, so they can only pick up so much in one week. If they only collect part of your debris, they will collect the rest the following week. Absolutely no construction debris will be picked up.

No TV's, computers or related electronic equipment can be picked up due to state law. Residents must dispose of on your own. These items can be taken directly to the Fox Hole Recycling Center located at 17131 Lancaster Hwy. (704) 341-4962.

Rollout containers should be brought to the curb by 7:00 a.m. on pickup days and must be removed from curb and stored out of sight within 24 hours of pickup.

For more detailed info, please visit our website at: [www.pinevillenc.gov](http://www.pinevillenc.gov) then Public Works under Departments Tab, click on Garbage Collection.

## TOWN OF PINEVILLE URBAN ARCHERY PROGRAM PERMITTED HUNTING ZONES

The Urban Archery season runs from January 12, 2019 to February 17, 2019 this year and is intended to help reduce the urban deer population through increased hunter opportunity.

Hunting is by way of bow and arrow only and is allowed in Pineville for 2019. However, the area in which one can hunt is very limited and is on private property. Hunters are legally required to obtain written permission to hunt on private property. For a complete list of rules and application to hunt, please visit the town's website at: [www.pinevillenc.gov](http://www.pinevillenc.gov)

\* Urban archery hunting zones are highlighted on the map in green.  
\* Each zone is 500 feet from any building footprint or street centerline.
