What’s Happening?

The long, hot summer has finally ended and the cooler temps are a sure sign of what’s ahead. Another holiday season is upon us and before we know it, another year will have gone by.

The first house in the long-awaited Chadwick Park development by David Weekely, has been completed and the first set of townhomes almost complete. The signs are up, the Sales Office is getting ready to open for business and it will be no time at all before new residents start to move in. It won’t be long before the new townhome development on the corner of Main St. and Cranford Dr. and the new single-family development behind Traditions break ground on their projects.

Look for a new Mercedes Dealership in the future. The current dealership would like to expand. A larger piece of property was purchased across the street allowing for an even bigger and better Mercedes experience. There’s nothing new to report on either the mill project or corner property of the old police lot. We are in a holding pattern for now and because of this, the town has decided to move the Tree Lighting Event to Lake Park this year. Santa will be back in town in December so be sure to catch him at the Tree Lighting or have Breakfast with him or both! And of course he’ll be riding through town Christmas Eve morning – be sure to read on to get all the details!

To our all our residents and businesses, we wish you a very Happy Holiday Season and the very Best Wishes for a Prosperous and Healthy 2019!

Season’s Greetings

Christmas is forever, not just one day, for loving, sharing, giving, are not to put away like bells and lights and tinsel, in some box upon a shelf.
The good you do for others is good you do yourself...

STORM WATER NEWS

Many of us have a stream in our neighborhood or backyard. If not, then you typically cross over at least one stream on your way to work or to the grocery store. Charlotte-Mecklenburg Storm Water Services (CMSWS) staff has many ways to monitor these streams, which include; field work, creek cameras, and automated monitoring systems. However, with 3,000 miles of streams throughout the county, it can be difficult for CMSWS to have eyes on every inch of this water resource. CMSWS relies heavily on citizens to report potential water quality issues. For example, if a citizen notices an orange creek, they should report this immediately. The cause of this is typically a water main break or failing erosion control measures from a construction site. If this situation isn’t investigated in a timely manner, the excess sediment can deplete dissolved oxygen in the streams which can be harmful to aquatic life. Citizens can use our WaterWatchers app, call 3-1-1 or even contact us through social media to report issues. CMSWS staff is available 24-hours a day to respond to calls. Help be the solution to water pollution.

Attention Pineville Residents and Business Owners
We’re kicking off our 5TH Annual FOOD DRIVE November 1st!

PINEVILLE COMMUNICATION SYSTEMS
AND
PINEVILLE ELECTRIC COMPANY
needs your help to beat last year’s collection total of 440lbs of non-perishable food items for our local neighbors here in Pineville. We need your help to reach our goal of 500lbs! This year we have added two drop off locations in addition to our office to include: The Belle Johnston Community Center & Pineville Town Hall.

Collecting Donations
NOVEMBER 1ST - DECEMBER 31ST

(704) 889-2001

All donations will be turned over to Pineville Neighbors Place which serves Pineville residents.
**ATTENTION PINEVILLE RESIDENTS:**
If you live within the city limits of Pineville and pay your taxes to Pineville, then you may use the Belle Johnston Community Center for FREE (fitness equipment, track, and basketball court). But first you need to get your resident card made. We will need proof of residency in the form of a photo ID with current address and a recent bill (ex. gas, electric, telephone). You will have to renew your card every year.

**PARKS & RECREATION**

This holiday season, make it a point to indulge...in healthy living. It’s a great way to connect with the pleasures of the season. And there is so much to enjoy - time with friends and family, the smiles that being active brings, and let's not forget the wonderful food! So say goodbye to holiday guilt and hello to healthy indulgences.

Pineville Parks and Recreation offers citizens endless opportunities to achieve your fitness and wellness goals at our indoor/outdoor walking tracks, playgrounds, gym, fitness classes, athletic fields, and more. For more information on our health and fitness opportunities check out our website www.townofpineville.gov or call 704-889-2400.

**PPR HOLIDAY HEALTH TIPS:**
Enjoy your 'must-have' treats. Be choosy. What foods do you really enjoy? Promise yourself that you will have a few favorites over the holidays and aim to make healthy choices the rest of the time. Be active for 30 minutes a day. More is better! Remember, every 10 minutes counts. Plan to be active every day. You will feel marvelous! Curb your hunger before a party. Eat a small, healthy snack an hour before a party. Try plain yogurt with cut-up fruit. You’ll find it easier to make healthy choices if you’re not too hungry.

**FITNESS EQUIPMENT & INDOOR WALKING TRACK HOURS:**
Attention: We will be opening at 6:00am on Mondays, Wednesdays & Fridays during the cold Winter Months (November - March) Too cold to walk outside? Come in the Community Center to use our tread mills or indoor track. Come in and check out our updated weight room! Mon./Wed./Fri. 6:00am – 9:45pm • Tue./Thur. 8:00am – 9:45pm Sat. 8:00am - 5:45pm • Sun. 1:00pm - 5:45pm

**OPEN GYM**
Residents may bring guests during open gym hours (check website or call community center). The fee is $5.00 per guest. Residents are responsible for the conduct of their guests and will be disciplined according to previously established park guidelines. Our Group Fitness classes are a great way to get a work out in while meeting new people.

**PINEVILLE’S BOOTCAMP**
Our 55-minute sessions include a dynamic warm-up, workout, metabolic meltdown finisher, then a cool-down, and stretching period. This program has been proven to be the most effective training time for fat loss and building strength for men and women. Each participant works out at their own pace within the group. Pineville’s Bootcamp instructor, Audrey Patton is a nationally certified personal trainer who will keep it fun and challenging while making modifications for individuals which makes the training more personalized.

Each training day, or workout, includes a run or cardio component, a resistance or strength-training component and a core-training component. Each component is designed to focus on speed, agility, power, strength, or endurance. Many of the exercises rely on body weight, but we also utilize equipment such as dumbbells, resistance bands, agility ladders, a partner’s body weight, and other natural and man-made aspects of the park like stairs, benches, hills and the parking lot.

Our training weeks are designed so that there is minimal overlap in training different muscle groups. This allows for greater recovery and a highly efficient approach to achieving balanced, total-body fitness. Moving through each 4-week session, we gradually increase the training intensity and volume to keep up with your body as it adapts to the training, ensuring that you’ll receive the most out of every week you train. This is a year-round program that delivers results while keeping it challenging, safe, sustainable, interesting, and fun for participants.

**COME SAIL WITH US**

**RC SAILBOATS ON PINEVILLE LAKE**

You are invited to come and sail a 1 meter Seawind or Dragonflite 95 radio controlled sailboat on Pineville Lake - Sundays, Wednesdays or Saturday mornings from 10 to noon. On Saturdays, we race Seawinds competitively from 10 to noon.

We are now developing a Dragonflite 95 class as well. If you have a boat of any class, come by, have a little fun and meet some new friends. If you just want to see if you'll like the hobby, the Queen City Model Yacht Club has both boats and instructors available to introduce you to a relaxing and fun hobby. If you like it and want to buy a boat, we will be glad to give you the benefit of our experience along with tips on rigging and sailing. If you just want to sail and not compete, you can do that too.

The photos show two Dragonflite 95s, sail numbers 97 and 53. Also shown is a Seawind sail number 67.

If you want to just stop by and talk it over, contact Brendan Sullivan (Sully) race director at 1-(914)-715-4296.

EASY CHRISTMAS CRAFTS

PINECONE CHRISTMAS TREES
(INSPiRED BY SCISSORS AND SPOONS)

SUPPLIES
• Pinecones
• Green spray paint
• Old wine corks
• Scissors
• Hot glue gun and glue
• Miniature wooden stars

DIRECTIONS
1. Spray paint the outer edges of the pinecone with green spray paint. Make it look like a real tree by leaving the inside brown. Let the paint dry.
2. Cut a wine cork in half and hot glue it to the bottom of the pinecone. Let the glue dry.
3. Hot glue the star to the top. Let it dry. Then enjoy!

Lighted Burlap Garland
(by Jill Fritz of Create.Craft.Love)

Materials needed to create your own...
Here's what you need:
2 inch red burlap ribbon
2 inch green burlap ribbon
2.5 inch natural burlap ribbon
White mini lights
Scissors

DIRECTIONS:
1. Cut burlap into 8-10 inch pieces.
2. Cut those pieces vertically down the middle
3. Choose a pattern in the order you want the colors to show.
4. Tie the burlap strips around the wire of the lights. You can tie them once; if you tie them twice, increase the size of the strips to allow for a double knot.

- 5 tablespoons granulated cane sugar
- 2 teaspoons pure vanilla extract
- ½ teaspoon fine-grain sea salt
- 2 cups unbleached all-purpose flour
- 2 cups finely chopped walnuts
- 1½ cups confectioners’ sugar, for dusting cookies twice

Directions

Using an electric stand mixer fitted with paddle attachment, or handheld electric mixer, cream together butter and sugar. Beat in the vanilla and salt. Gradually add flour, beating after each addition. Stir in the nuts; mix until fully incorporated. Divide dough in half and refrigerate in plastic food wrap for approximately 45 minutes.

Meanwhile, arrange oven rack in middle of oven and preheat to 350°F. Line two baking sheets with parchment paper; set aside. Place confectioners’ sugar in a small bowl; set aside. Measure dough using a small, 1-inch scoop making sure each scoopful is level. Roll dough between palms of hands to achieve a small rounded ball.

Place dough balls 1½ inches apart on prepared baking sheets. Bake in preheated oven until the cookies are just beginning to brown, about 12 to 14 minutes. Do not overbake. The underside of the cookies should be only lightly browned. And the cookies should not crack—a sure sign of overbaked teacake cookies.

Cool cookies on baking sheets on wire racks for approximately 2 minutes. Remove cookies from baking sheets using a metal cookie spatula. While cookies are still warm, gently roll them in the confectioners’ sugar. Place the sugar-coated cookies on wire racks to cool completely. Roll cookies once again in the confectioners’ sugar.

Yield: Makes about 6 dozen (about 72) small cookies when using 1-inch size scoop as indicated in the recipe. Of course, larger cookie scoops will make larger sized cookies and yield less of them.
