It's hard to believe that another year is coming to an end. Last year at this same time, one house in Chadwick Park had been completed and now, just one year later, there are people living in the many units that have been completed since then. And by this time next year, there will be at least one and possibly more new home developments going up. Houses aren't the only new thing in town. The much-anticipated Middle James Brewery finally opened its doors on Polk Street this year and Pineville can now say we have our very own craft beer brewery. We wish them much success!

Childers Lane has finally been paved and reopened with a few new parking spots. Work will soon begin on the realignment of Johnston Drive. With that road realignment, however, we will lose the home that Oowee BBQ operates out of. Additionally, we are sad to see the departure of Um's Corner Café. Unwind Tea & Coffee, however, is remaining and has moved to the space on the other side of “Z’s Home Furnishings.

Preliminary plans are underway for a new Town Hall/Library combination building. A contract is in place with Creech and Associates to implement the design of the new facility. Residents have already weighed in with their thoughts and ideas at a public meeting held in October. Look for another opportunity to do so in December. Date will be posted on the town’s website and town's Facebook Page.

So many changes and so many more to come as we transition to a new year. To all of our residents and businesses alike, “Happy Holidays and Best Wishes for a Prosperous New Year!”

Best Wishes for a Happy Holiday Season
As reported in the last issue of Pineville Today, efforts to form a Pineville Chamber of Commerce have begun. Membership is already more than 50 strong. Pictured here is the Pineville Chamber’s Kick-Off/Grand Opening meeting that was held on September 19th at Cadillac of South Charlotte. For more information on the Pineville Chamber, please visit: www.pinevillencchamber.com.

The efforts of the Commission on Human Relations center around promoting equality of opportunity in the areas of housing, employment practices, public accommodations, education, justice and governmental services. Contact her at 704-889-1803. Amelia resides in Pineville with her husband and two children. We wish her well as she serves her four-year term in this new position.

Mecklenburg County is continually growing with new people and new buildings being added every day. In Pineville alone, the population has more than doubled since 2000. With more people moving into the area needing housing, workspaces, and shopping centers, there are bound to be some environmental impacts. The number one pollutant in our streams and lakes is sediment, most of which comes from construction sites. The loose sediment on a construction site gets washed away during rain events. The rain moves this sediment to the nearest storm drain where it then directly enters the nearest stream or lake. The sediment then dirties the water and depletes the oxygen levels which can make for unlivable conditions for aquatic life. A stream that is impacted by excess sediment is typically orange in color. If you see an orange creek or any other storm water pollution issue, call 3-1-1 and someone from Charlotte-Mecklenburg Storm Water Services will be out to inspect the site as soon as possible. Visit StormWater.CharMeck.org or follow us on social media @StormWaterCM to learn more about pollution prevention.

Pineville Neighbors Place is a community nonprofit that helps our neighbors struggling with poverty and homelessness. We partner with Pineville Police Department for the Shop with a Cop program. The program helps our children in need at Pineville and Sterling Elementary Schools have a happier holiday season. Monetary donations can be sent to: Pineville Neighbors Place, PO Box 986, Pineville, NC 28134. Mark SWAC on your check. We also accept donations of new toys. Those may be dropped off at our office at 10725 Industrial Drive. We need all donations by December 1 so we know how many children we can help. For more info on our pantry needs, events or volunteer opportunities, follow us on social media: Facebook, Twitter and Instagram or check our website: pinevilleneighbors.org.

The menu for a happy and successful life after 60 includes food, fun and fellowship with others. We offer a variety of choices to satisfy everyone’s palatable pleasure. Items on the menu include trips, socializing with friends and neighbors, exercise, nutrition education programs, arts and crafts and Senior Games.

Come join us at the Belle Johnston Center, 1000 Johnston Drive • Pineville, NC 28134 Monday-Friday from 9am to 2pm. Check us out and let’s do lunch!

For more info about the program call Shelia Douglas at 704-889-7444. This is one of the many programs that Mecklenburg County Department of Social Services offers senior adults throughout the community.
ATTENTION PINEVILLE RESIDENTS:
If you live within the city limits of Pineville and pay your taxes to Pineville, then you may use the Belle Johnston Community Center for FREE (fitness equipment, weight room, track, and basketball court). But first you need to get your resident card made. We will need proof of residency in the form of a photo ID with current address and a recent bill (ex. gas, electric, telephone). You will have to renew your card every year.

For many of us, the holidays are one of our favorite times of the year. For others, it can be non-stop fun – or non-stop stress. Make a conscious decision to get enough sleep each night. Find moments throughout the day when you can spend some quiet time to regroup and refocus on what’s most important.

There’s certainly a lot to do, but the payoff is that we get to spend time with the people we love. As we approach the holidays, make sure you’re doing everything you can to stay healthy so you can enjoy the season.

Pineville Parks and Recreation offers citizens endless opportunities to achieve your fitness and wellness goals at our indoor/outdoor walking tracks, playgrounds, gym, fitness classes, athletic fields, and more. For more information on our health and fitness opportunities check out our website www.pinevillenc.gov or call 704-889-2400. Or better yet, check us out in an article written recently about all we have to offer at: www.scoopcharlotte.com, under the Fitness & Health tab.

PPR HOLIDAY HEALTH TIPS: Eat as healthily as possible. Healthy eating is all about choices. Choose to put more vegetables on your plate at your big family meal. Limit your snacks. If you do need a quick bite to tide you over, choose fruits, nuts, or raw vegetables. Make time to exercise. Holiday schedules are hectic, but you can find a few minutes here and there to exercise. Take a quick walk around the neighborhood, go for a hike, or do some stretches. Don’t forget to rest. The holidays can be non-stop fun – or non-stop stress. Make a conscious decision to get enough sleep each night. Find moments throughout the day when you can spend some quiet time to regroup and refocus on what’s most important.

Not to worry if you are not a member of the above programs, the fee is $5/day. Come out and join the fun while continuing your life journey for good health. Should you have additional questions contact Lorraine Haynes at 678 - 575 - 0152.

PATTON’S PERFORMANCE BOOTCAMP
Our 55-minute sessions include a dynamic warm-up, workout, metabolic meltdown finisher, then a cool-down, and stretching period. This program has been proven to be the most effective training time for fat loss and building strength for men and women. Each participant works out at their own pace within the group. Pineville’s Bootcamp instructor, Audrey Patton is a nationally certified personal trainer who will keep it fun and challenging while making modifications for individuals which makes the training more personalized.
Each training day, or workout, includes a run or cardio component, a resistance or strength-training component and a core-training component. Each component is designed to focus on speed, agility, power, strength, or endurance. Many of the exercises rely on body weight, but we also utilize equipment such as dumbbells, resistance bands, agility ladders, a partner’s body weight, and other natural and man-made aspects of the park like stairs, benches, hills and the parking lot. Our training weeks are designed so that there is minimal overlap in training different muscle groups. This allows for greater recovery and a highly efficient approach to achieving balanced, total-body fitness. Moving through each 4-week session, we gradually increase the training intensity and volume to keep up with your body as it adapts to the training, ensuring that you’ll receive the most out of every week you train. This is a year-round program that delivers results while keeping it challenging, safe, sustainable, interesting, and fun for participants.

Crockpot Thanksgiving Dinner! In a rush this year? Just want to sit and watch the game and not be in the kitchen all day? Or maybe it’s just the two of you for dinner. Why not try this easy, all-in-one Crockpot Thanksgiving Dinner! Boneless turkey breast slow cooks with sweet potatoes, carrots, celery and cornbread stuffing. The perfect, EASY way to enjoy Thanksgiving dinner with your family! Author: Kelly Miller Prep Time: 20 minutes • Cook Time: 4 hours • Servings: 4
Ingredients:
• 3 lb boneless turkey breast
• 3 stalks celery diced
• 3 carrots peeled and diced
• 2 sweet potatoes peeled and cubed
• 1 cup onion diced
• 2 6 oz boxes cornbread stuffing mix dry
• 2 1/2 cups chicken broth
Instructions:
1. Place thawed turkey breast in bottom of slow cooker (mine came with a netting holding it together that I removed, but you can leave the netting on - it keeps the turkey together while cooking).
2. Add in the vegetables, top with dry stuffing mixes, and pour chicken broth over all ingredients.
3. Cover and cook on low 7-8 hours or on high 4-5 hours or until turkey is cooked through.
4. Remove stuffing & veggies to a serving bowl. Remove turkey to a platter, straining the juices into the slow cooker.
5. Allow turkey to rest 5 minutes before slicing. Use reserved juices to moisten stuffing and turkey slices as needed.
