

Town of  
**Pineville**  
North Carolina

# Starting July 3, 2019

Waste Pro will be the exclusive service provider for all residential homes in the Town of Pineville. This new partnership will provide the residents with:

**Solid Waste, Bulk, Recycle, and Yard Waste Collection**

A new **GREEN** garbage cart and a **BLUE** recycling cart will be delivered to your home!

### Residents of Pineville

Your old garbage cart and recycling cart will be emptied and removed on your last pick-up day:  
**June 26th-29th**

### REMEMBER!

DO NOT use the new carts until your old carts are removed after  
**June 27, 2019**

or visit [www.wasteprousa.com](http://www.wasteprousa.com).

Dear Residents:

We would like to take this opportunity to welcome you to Waste Pro of NC and introduce you to the company. Our Charlotte South division will be providing your service. The office hours are Monday-Friday 8am-5pm. Today you received a new GREEN garbage cart and BLUE recycling cart.

- DO NOT USE THE NEW CONTAINERS UNTIL 6/27/2019.
- Your old containers will be emptied and removed starting on your last pick-up day 6/26/19 – 6/29/19.

### **Solid Waste & Recycle Program Details:**

- 2 rollout containers are provided to residents: Green for household trash and Blue for recyclables.
- Regular household trash is picked up each Wednesday except during holiday weeks.
- Recycling is picked up every other Wednesday except during holiday weeks.
- Bulk pickups need to be scheduled directly with Waste Pro. Please call 980-255-3800 to schedule. If you have trash that exceeds the size of the cart, it's also a good idea to call Waste Pro so they are aware of the larger than normal amount.
- Only yard debris generated by the homeowner will be picked up if stacked neatly in small piles at the curb. Contractors doing yard work for homeowners are required to remove the debris they generate. Leaves should be bagged in clear bags and left curbside for pickup.

### **Bulk Items Not Collected:**

*(These items can be taken directly to the Fox Hole Recycling Center located at 17131 Lancaster Hwy. 704-341-4962)*

- Construction Debris
- TV's
- Computers
- Related Electronic Equipment
- Tires

### **Household Hazardous Waste Will Not Be Collected:**

- Paint
- All Batteries
- Automotive Fluids
- Pool Chemical
- Florescent Bulbs & Tubes
