Spring it On, Pineville!
What’s Happening…

Slowly, ever so slowly, things are inching back to normal. While it may never quite get back to the way things were, we are making progress in the right direction now that vaccines have become available to combat the Covid-19 virus. Please don’t let your guard down — continue wearing your face coverings, practice social distancing and get vaccinated if you are inclined. We don’t want to miss another year of spending time with friends and family, playing sports or getting educated face-to-face in the classroom.

We continue to hold our Town Council and Work Session Meetings virtually for the public. Town council meetings are held on the second Tuesday of each month at 6:30pm and Work Sessions are the fourth Monday of each month at 6:00pm. Agenda packets containing meeting information and ZOOM instructions are posted on our website the Friday before each meeting at www.pinevillenc.gov, under the GOVERNMENT tab, click on Agendas/Minutes and find the date corresponding to the meeting and click on the PDF. Budget Meetings will also be held via ZOOM for the general public and the schedule of budget meetings can also be found on our website. Stay tuned for when the meetings might open back up to the public.

The Manager’s Minute…

As spring comes so does the chance of getting out of the house, especially with the recent relaxation of restrictions by Governor Cooper on Friday, March 26, 2021 to include a max of 50 people allowed for indoor gatherings, 100 people for outdoor gatherings, loosening of restaurant restrictions, and increase seating capacity at indoor events, as well as others (more information can be found here https://governor.nc.gov/documents/executive-order-no-204). This, coupled with more people getting COVID-19 vaccines will mean that the Town’s parks and other spaces will be full of people. However, please remember that social distancing and mask wearing is still required.

More people also means more traffic in neighborhoods, which can be dangerous. Please remember to drive at or below the speed limit and do not park vehicles across from each other or across from a driveway. In many of our neighborhoods streets are not wide enough for a vehicle or emergency vehicle to pass when two vehicles are parked across from each other. In fact, there is an Ordinance that addresses this, Section 72.04. It states, “No person shall, stop, stand or park a vehicle except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or traffic control device in and of the following places: “On any street where there is less than 15 feet of unobstructed roadway as measured from the side of the vehicle facing the street”. What this means is that it is illegal for two cars to be parked on opposite sides of the street, across from one another, unless there is at least 15 feet between them.

Finally, Budget Meetings are starting with Council. The Town will present the FY22 Budget to the public on May 11, 2021. Town staff is working to make sure that the budget continues to stay within our fiscal means so that there is no tax increase on citizens or businesses.

Thank you for being a part of Pineville,
Ryan Spitzer
STORM WATER
The Town of Pineville is located within two watersheds: Little Sugar Creek and Sugar Creek. A watershed is an area of land that drains to one waterway. Both watersheds are classified as “TMDL” or total maximum daily load, which is a term meaning that the waters are impaired due to certain pollutants. They require extra monitoring and prevention methods to improve the water quality.
Both watersheds are threatened by a common pollutant called, fecal coliform bacteria. These bacteria come from human and animal sources. The human sources enter our waterways through broken or overflowing sewer lines, while a primary source from animals is abandoned pet waste. The bacteria live in the waste and whenever it rains the bacteria enter the storm drains that lead directly to our creeks. To combat against these pollutants, residents must be informed. If you see a sanitary sewer overflow or leak, notice that a creek is discolored, or has a bad odor, call 3-1-1 to report the issue or use the CLT+ app. Another way to help, is to pick up after your pet, whether in your own backyard or during walks around the neighborhood. To learn more about the waterways of Mecklenburg County, including pollution prevention tips, visit StormWater.CharMeck.org.

ALL CLASSES, PROGRAMS AND EVENTS WILL ADHERE TO CDC AND NC - COVID 19 GUIDELINES.

ATTENTION PINEVILLE RESIDENTS: If you live within the city limits of Pineville and pay your taxes to Pineville, then you may use the Belle Johnston Community Center for FREE (fitness equipment, track, and basketball court). But first you need to get your resident card made. We will need proof of residency in the form of a photo ID with current address and a recent bill (ex. gas, electric, telephone). You will have to renew your card every year.

Why wait for summer to roll around when you can jump-start your health goals now?
Spring is the perfect transitional season to help you shake off those winter blues and, well, spring clean your health with a renewed sense of invigoration and focus. Here’s a few of our favorite things about spring that aren’t just great for your physical health, but promoting mental and emotional wellness too!

SPRING CLEAN YOUR NUTRITION
Spring is the perfect time for fruit and veggie lovers to stock up on fresh, local, in-season produce that is harder to come by in the colder months. Make exercise a habit – Adding exercise to your daily or weekly routine can have benefits far beyond physical fitness. Exercise is known to improve mood and decrease feelings of anxiety and depression. Set regular bedtimes and wake times – It is important for everyone to get seven-to-nine hours of sleep every year.

Our Group Fitness classes are a great way to get a work out in while meeting new people.

YOUTH ACTIVITIES

Champions In Motion

TRAINING CHAMPIONS AND DEVELOPING LIFE SKILLS!

CRAZERLEADING PROGRAM

Belle Johnston Community Center (1000 Johnston Dr.)

Promoting good sportsmanship and SPIRIT, students will also have the opportunity to participate in Champions In Motion Special Cheer Events. Champions In Motion combines Pom dance and Cheerleading into one program. Students are taught cheerleading techniques such as short chants, arm motions, jumps, kicks and stunting techniques. Students are also taught a special long team performance cheer and cheer dance routine (with use of poms) each semester that is presented by each team at the Cheer Showcase. We have incorporated the most modern and current dance techniques into our curriculum, and developed teaching methods that work best for children and teens. Cheerleading is a TEAM-ORIENTED sport and we encourage students to demonstrate teamwork, sportsmanship and dedication to being part of the team while participating in our program.

our Recreation Program Coordinator at 704-889-2400.

**QUEEN CITY MYC**

You are invited to come and watch or try your hand at sailing radio control model sailboats at Pineville Lake Park.

**WHEN:** We have sail days (practice races and tune-ups) on most Wednesdays and Sundays from 10:30AM to 12:30PM. We have race days on most Saturdays from 10:30AM to 12:30PM. Occasionally we will host intra-club and/or regional Regattas at our site too.

**WHAT:** You can sail any boat with us during sail days (Wednesdays and Sundays) but we race the Kyosho Seawind on race days (Saturdays and Regattas). The SeaWind Readyset comes with pre-painted ABS hull in a blue-white color scheme and rigged ready to assemble with installed electronics and a 2.4 Ghz radio. The SeaWind Readyset can be purchased at discounted prices on Amazon.com and other online stores. The quality of design and fittings continue to make the SeaWind an excellent fleet boat with enough performance potential to satisfy even the most discriminating skipper. The SeaWind COA has demonstrated a strong organization with active fleets in all AMYA Regions and an active annual program of Regional and National Championship Regattas. The Class Rules tightly control the boat elements to ensure new skippers are not faced with a costly refit to be competitive while allowing minor modifications to rigging (materials and adjustment methods) to facilitate tuning and to the hatch cover to ensure watertight integrity.

Many of our members also have Dragon Force 95’s and EC-12 Class boats so whatever you may have, come join us. If you do not have a boat and would like to try your hand or see if this is something you may like to try, we have club boats available for you to sail prior to making any investment.

If you are interested in having some fun and making new friends contact us via our website: www.queencitymyc.com or by email at: qcmyc342@gmail.com or stop by.
GIVE US YOUR JUNK BACK FOR ONE WEEK ONLY
JUNE 14-18, 2021

This is not a service offered by our trash collection company but one offered free of charge from the Town to its residents. This is the opportunity for residents to do some spring cleaning to dispose of items you no longer need or want and it’s absolutely FREE OF CHARGE. For the safety of our employees, restrictions and guidelines are in place and we ask that you abide by them so that we may continue to offer this wonderful service to our residents.

Please follow these guidelines that have been put in place:
• Minor renovation, flooring and other construction debris is acceptable ONLY if it is a reasonable amount; metal or wood posts or planks should not exceed 4 feet in length and all nails or other hazardous items removed or nailed down safely for pickup without injury.
• Absolutely no excrement, bodily fluids or other biohazardous material of any kind will be picked up.
• We can no longer pick up paint or petroleum products of any kind.
• Items must be taken to the curb for pickup; employees are not permitted to go into your house to remove items or move them for you. Additionally, we do not want to take town trucks into your alleyways so please take your items to the front of the house to be picked up safely and easily.
• Separate glass or other breakable items from any wood, metal, plastic or other products you put out at the curb.
• Town employees have the right to refuse pickup of items they deem unsafe or hazardous.

As long as these rules are followed and good, common safety sense is used, this program will continue to run. We appreciate your cooperation.

For those of you that have lived in Pineville for years, you know what JUNK WEEK is. For those of you new to Pineville, this is the week when our Public Works Department employees’ ride through town each day for one week only, to pick up any old, unwanted items from citizens residing within the town limits of Pineville.
We are pleased to welcome visitors back into our Visitor Center and historic structures, with some new procedures in place to help ensure the safety of staff and visitors, including:
- Limiting occupancy, to allow a comfortable visit to the Visitor Center and historic structures.
- Requiring face coverings to enter the Visitor Center and historic structures, as outlined in Executive Order 163.
- Installing hand sanitizer stations and increasing the frequency of cleaning high touch public areas and restrooms.
- Installing protective barriers at sales counters and information desks.
- Interactive exhibit features will be paused or modified.

Visitors are expected to follow the “Three W’s” as outlined by the N.C. Department of Health and Human Serviceswear a cloth mask over your nose and mouth, wait in line at least six feet away from others, and wash your hands frequently or use hand sanitizer. If you are experiencing symptoms of illness, we ask that you postpone your visit.

**Easter Rice Krispie Nests**

*(the kids can help with this one)*

**INGREDIENTS:**
- 8 cups Rice Krispie Cereal  
- 8 tbsps butter  
- 16 ounces mini-marshmallows  
- Egg M&M’s

**INSTRUCTIONS:**
- In a large pot, melt butter and mini marshmallows over medium low heat. Stir these constantly so they do not burn.
- Remove from heat right before the last marshmallows melt.
- Add in rice cereal and use a spatula to fold the marshmallow mixture into the cereal. Continue until everything is incorporated.
- Let sit 10-15 minutes to cool just slightly so that you can easily form the nests with your hands.
- To form the nests, butter your hands (yep, use butter like lotion) and then grab a tennis ball sized amount of krispie mixture and make a ball. Press your thumb into the center to make the indent of the nest and form the outsides as needed.
- Place on parchment lined cookie sheet and repeat with remaining mixture, rebuttering your hands as needed.
- Allow to cool. Once cool add egg shaped M&M’s to the nest.
