## HAPPY NEW YEAR

# Pineville Town News

## The Manager's Minute

As 2021 comes to a close there were a lot of changes that happened in Pineville. There were new residential and commercial developments, residential developments finishing, staff retirements and hirings, and new Council Members being elected.

The new Town Hall and Library was begun in 2021 and is slated to be completed in the summer of 2022. This will consolidate several operations for the town as well as provide state of the art services for town residents. The library will open up in the Fall of 2022. This new building will be able to provide a lot of programming for children and citizens both inside the building and outside. We hope that it will be a meeting place for citizens to interact.

2021 also saw several longtime employee retirements from the Town. These were Town Clerk, Barbara Monticello, P&R Director Kirsty Detwiler, Captain Toby Calhoun, Sgt. Keith Davis, Accountant Karen Bennett, and Finance Director Richard Dixon. Some were behind the scenes, while others you got to meet and interact with. However, each of these individuals did their part to make Pineville a great community and a community that people want to live in. With these retirements the town was able to hire great additions to the leadership team to move us forward in to the future. These individuals are Town Clerk Lisa Snyder, P&R Director Matthew Jakubowski, HR Director Linda Gaddy, and Finance Director Sheila Rollerson. I hope you will welcome them with me.

This year we also saw the election of two new Council members who ran unopposed, Ed Samaha and Chris McDonough. You may remember Councilor McDonough's name as he served on Council in the past. Councilor Samaha is new to our Council, but has past experience in the northeast. They will both be great additions to Town Council and will provide diverse views and experiences that will help the town in to the future. With the addition of these two members, the town lost two Council members. They were Councilor Davis and Councilor Maxim. They both served the town well and made tremendous contributions in their knowledge, skills, and love for the town. Please help me welcome Ed and Chris and wish Melissa and Joe well in their future endeavors. This position takes a lot of time, commitment, and love for the town.

Finally, Pineville's downtown is looking amazing with the storefronts being occupied and busy. Let's keep the momentum moving in to 2022 and truly make Pineville a destination community where people want to live, work, shop and play. We all need to work together to make Pineville the #1 destination community in the region for families.

In December, we said good-bye to two Council Members. Melissa Davis served two four-year terms and Joe Maxim served four years. Both were presented with proclamations and gifts of appreciation for their years of service. **Thank you for your service, Melissa and Joe. We wish you the best!**

Chris McDonough

Ed Samaha

Taking the reigns are incoming Council Members, Chris McDonough and Ed Samaha. Mr. McDonough has served previously on Town Council and this is Mr. Samaha's first time on the Board.

**We wish them well in their new positions.**

### TRASH/RECYCLE REMINDERS & INFORMATION

#### TRASH TOTE

Please pay attention to the trash schedule. When it is not a Recycle week, please do NOT put out your recycling. It delays the drivers and causes interruptions in the flow of picking up trash. It is also important to put out your trash before 7:00 am so it will not be missed.

#### TRASH TOTE RESTRICTIONS

DO NOT put construction debris in your trash bins. This type of trash should go to the landfill.

#### RECYCLE TOTE

Please note that recycling gets picked up every other week. If you put out your recycling on a non-recycling week, it will not be picked up. There are different trucks used to pick up recycling.

“Sometimes it feels like there are so many things in this world that we can't control. Earthquakes, floods, reality shows. But it's important to remember the things that we can- like forgiveness, second chances, fresh starts. Because the one thing that changes the world from a lonely place to a beautiful place is love. Love in any of its forms, love gives us hope.”

We have sail days (practice races and tune-ups) on most Wednesdays and Sundays from 10:30am to 12:30pm. We have race days on most Saturdays from 10:30AM to 12:30pm. Occasionally we will host intra-club and/or regional Regattas at our site too.

You can sail any boat with us during sail days (Wednesdays and Sundays) but we race the Kyosho Seawind, which is our Club boat, on race days (Saturdays and Regattas). The SeaWind Readysset comes with pre-painted ABS hull in a blue-white color scheme and rigged ready to assemble with installed electronics and a 2.4 Ghz radio. The Sea Wind Readysset can be purchased at discounted prices on Amazon.com and other on line stores, however, since the Pandemic they have been increasingly difficult to find. We have managed to find several boats from private owners for several of our new members. Many of our members also have Dragon Force 951s, Solings and EC-12 Class boats so whatever you may have, come join us. If you do not have a boat and would like to try your hand or see if this is something you may like to try, we have club boats available for you to sail prior to making any investment.

The Town of Pineville has been very helpful and gracious allowing our club to use Lake Park and even built a dock for us to launch the boats. It is a great place for these activities. ## PINEVILLE'S CHRISTMAS TREE LIGHTING

Pineville's Christmas Tree Lighting was a huge success as over 300 people enjoyed the warm winter weather. Children and adults were entertained by Stilt Walkers and Jugglers dressed in festive gear. Santa arrived on the Pineville fire truck and gave the children good cheer with a smile, a bell, and a listen to their wishes. A Christmas train, some hot chocolate and smores made the afternoon a holiday delight.

Mr. Nigel got all the folks dancing to the holiday tunes as he counted down and let Santa do his magic to light the tree.
