Pineville Town News

What's Happening...

Where did summer go? It seems that the majority of the summer was spent working on the new Town Hall, including setting up new telephone systems, networks, planting new shrubs and trees, preparing for the fountain to be put in front of our new building, and so much more. I think that you will be proud to have this amenity in your community.

The Town Clerk has been meeting with a few of the new library staff, including the new branch manager, and is anticipating the opening of its new Pineville branch, perhaps in mid-November. The library staff is excited to move in and serve the residents of Pineville and surrounding communities! Construction work has been on schedule with a few exceptions, and the staff who will be working from the new offices are ready to begin serving you at the new location.

Fall Fest 2022 has been scheduled at Jack Hughes Park this year. Having the event at the new location will provide more room for residents and their families to park near the festivities, making everything within walking distance. Shuttles will be available from distance parking lots to the Festival. Carnival rides are returning this year. Fireworks are scheduled for Saturday night at the end of the Festival. It's one of Pineville's biggest events and we hope that all of you and your families and friends will join us this year!

I encourage you to get out and enjoy Pineville. Our small Town has a lot to offer its citizens and we look forward to seeing you at our new location soon.

Town Manager
Ryan Spitzer

THE TOWN OF PINEVILLE WINS NCDOL SAFETY AWARDS FOR 2021

Not only does the Town value the safety of its residents and businesses, but we are very conscious of keeping our Town employees safe on the job. This diligence and hard work on the part of our safety committee and department leaders has led to all of our departments achieving a Gold or Silver Annual Safety Award for our safety record in 2021.

Sponsored by the NC Department of Labor and the Safety and Health Council of North Carolina, both private and public organizations are evaluated on their safety record over an entire year based on measurements such as the rate of days away from work.

Representatives from several departments attended the Charlotte Awards banquet where pictures were taken with the Commissioner of Labor, the Honorable Josh Dobson.

PINEVILLE GETTING NEW TOWN HALL

What was once a vacant lot next to the Pineville Police Department, has now become the new Town Hall for the Town of Pineville. No tax increase is anticipated in the future.

The new Town Hall is located near walking trails, a new fountain, and Jack Hughes Park. A Grand Opening celebration is being planned for the future and is being coordinated with the

new Pineville branch of the Mecklenburg County library. There are community rooms on both levels of the building and will include residential services.
