Little Sugar Creek Greenway

What's Happening...

Spring is here and it's a great time to get outside and enjoy the weather before the heat of the summer.

The NC General Assembly designated 2023 as NC Year of the Trail, an effort led by the Great Trails State Coalition, a group of organizations, agencies and supporters advocating for increased state investment in all types of trails statewide: hiking, paddle, equestrian and paved.

The Year of the Trail celebrates North Carolina's vast and diverse collection of scenic trails, paths and greenways, and encourages all of us to recognize our role as champions of these special resources. They are valuable to communities because the

benefits they provide can be readily and freely enjoyed by all, whether for hiking, biking, walking, or running, on our own or with kids on our shoulders and dogs trotting ahead. These paths are a place of refuge and recreation.

In Pineville, our trails and greenways contribute to the overall sense of place and the quality of life for residents and visitors. If you haven't had a chance to visit one of our greenways or parks, now would be a great time to do so. They include Little Sugar Creek Greenway, Pineville Hiking Trail, Pineville Lake Park, Jack Hughes Park and coming soon, the McCullough Greenway, and the Polk Historic site.

MECKLENBURG COUNTY REVALUATION

Revaluation is a process required by [North Carolina law](#) where all property (land and buildings within Mecklenburg County) is revalued to its current market value as of January 1st. To meet expectations in a fast-growing region, Mecklenburg County conducts a revaluation every four years. Because property taxes are based on a property's market value, without periodic revaluation, some property owners would pay more than their share of property tax, while others would pay less than their share. Revaluation resets property tax values so all taxpayers pay their fair share. For more information, please go to their website [Revaluation | Assessor's Office \(mecknc.gov\)](#).

DEADLINE TO FILE A FORMAL APPEAL

Friday, June 9, 2023, is the deadline to file a formal appeal for your 2023 property valuation. Save the Date.

JUNK WEEK... MAY 15th - 19th, 2023

Our Public Works Department will ride through town to pick up any old, unwanted items. This is not a service offered by our trash collection company; this is a service offered **FREE OF CHARGE** from the Town to its residents. Please take advantage of this once-a-year opportunity to get your junk removed. In order to keep this great opportunity going year after year, we ask that you kindly follow a few simple rules that have been put in place:

- Minor renovation, flooring and other construction debris is acceptable ONLY if it is a reasonable amount, metal or work posts, or planks do not exceed four feet in length, and all nails or other hazardous items removed or nailed down safely for pickup without injury.
- Absolutely no excrement, bodily fluids or other biohazardous material of any kind will be picked up.
- We can no longer pick up paint or petroleum products of any kind.
- Items must be taken to the curb for pickup; employees are not permitted to go into your house to remove items or move them for you. Additionally, we do not want to take Town trucks into our alleyways, so please take your items to the front of the house to be picked up safely and easily.
- Separate glass or other breakable items from any wood, metal, plastic or other products you put out at the curb.
- Town employees have the right to refuse pickup of items they deem unsafe or hazardous.

One final sweep of the Town will be made the following week to collect whatever was not collected during the week of pickup. As long as these rules are followed and common safety sense is used, this program will continue to run. We appreciate your cooperation.

PINEVILLE'S NEWEST POLICE OFFICER

Logan Hulst was a paid BLET student for the Town of Pineville and he graduated from SPCC's Police Academy last December 2022.

Officer Hulst is a military veteran, and currently serving under the field training leadership of Corporal Roberts and Corporal Naito.

WATER NEWS

Sewer discharges can happen at any time which can introduce harmful bacteria to our streams. High levels of this bacteria can lead to fish kills, stressed aquatic life, and can be

dangerous to human health. Sewer discharges are sometimes accompanied by a rotten egg odor and they may also produce a white fungus in the stream. It is important that we do our part to help prevent sewage from reaching streams by:

- **Properly disposing of grease in the trash, and not down the drain, which can cause blockages in the sewer lines.**
- **Properly maintaining private sewer lines and septic systems, and repairing immediately if necessary.**
- **Reporting sewer discharges to 311.**

Looking for other ways to protect our waterways? You can volunteer with us! We will be hosting a stream cleaning and storm drain marking event for Earth Day!

Check out CMSWS Volunteer Opportunities on Sign Up Genius or email stw-Volunteers@MeckNC.gov for more ways to volunteer!

SPRING *into Health!*

Spring feels like a new beginning and a fresh start. Let the regenerative powers of sunshine, warm weather and more sunlight restore you and inspire you to spring-clean your world. Spring is a great time to refocus yourself and your family toward making healthy choices so you can enjoy the seasonal changes that come with the longer days.

Try these simple ways to jumpstart your spring cleaning!

Shake up your fitness routine - Take advantage of a warm spring weekend to rethink your attitude toward exercise. Instead of dreading it, think of exercise not as a workout, but as a chance to play and have fun.

Rethink your diet - Keep your food choices simple. Most nutrition experts agree that choosing whole, unprocessed foods, and reducing added sugars and portion sizes will improve your nutrition.

Schedule time for yourself - Time alone helps you recharge and replenish your energy. Schedule some "me" time every day and make it a priority, just as you would a doctor's appointment or picking up the kids from school.

Do a digital detox - Don't let phones, laptops and tablets distract you from living your life. Rather than trolling social media, check out new activities or hobbies that might interest you.

SET SAIL WITH US

The Queen City Model Yacht Club will hold its 2023 Spring Regatta on Saturday, April 22, from 10:00am to 1:30PM. We will be having at least 12 races. Come on out and see a beautiful scale

sailboats race. If you are interested in what we do, please let one of us know. We love sailing and racing radio-controlled sailboats. You are invited to come and watch or try your hand at sailing radio control model sailboats at Pineville Lake Park. Please visit our website [QueenCityMYC.com](#) for more information. Below are some of the particulars. We sail at the Belle Johnston Community Center Lake at 1000 Johnston Dr. Pineville, NC 28134. We race on most Wednesdays and Saturdays from 10:30am to 12:30pm. Occasionally we will host intra-club and/or regional Regattas at our site too. We race the Kyosho Seawind, Dragon Flite 95, and Soling's. We opened up racing to more than one boat class due to lack of Seawind spare parts and new sailboats. If you do not have a boat and would like to try your hand or see if this is something you would like to try, we have club boats available for you.

PINEVILLE NEIGHBORS PLACE

Pineville Neighbors Place is a 501c3 nonprofit that serves the residents of zip code 28134 and the families of Pineville and Sterling Elementary School. They help with financial assistance with utilities and rent, furniture and they also have a food pantry.

PNP does several special events during the year including back to school backpacks, the annual Pineville Potato Drop and Shop with a Cop.

Staci McBride will be the new Executive Director of Pineville Neighbors Place. She began on March 1st and is training with Jane

Shutt, the current Executive Director. Welcome, Staci!

Jane Shutt is leaving us next month to begin a new chapter with her family. She and her husband, Mark, are retiring and moving to Virginia

to live close to their adult children. Jane founded Pineville Neighbors Place in 2016 and has been a huge asset to the Town of Pineville and its residents. "Thank you to the Pineville community for your overwhelming support of all of our neighbors over the years. It has been a true privilege to work with so many wonderful people," said Jane.
