25th Annual
Fall Fest

October 19-20-21

Food. Fun. Family. Friends.

Celebrating the Town's 150th Anniversary!

What's Happening...

Dear Pineville Residents,

The Town of Pineville hit a significant milestone this year: the 150th Anniversary of its founding! The Town has formed a committee of area residents that are currently making plans to celebrate this commemorative event. We will kick off the celebration in the coming weeks.

The anniversary celebration events are primarily being planned during the Town's Annual Fall Fest, October 19-21st, with free souvenirs, prize drawings, an opportunity to see the old jail at the old Town Hall with a Barney Fife impersonator making an appearance, and a pop-up museum located in the Town Hall lobby.

During the remainder of the year, we would like to invite organizations throughout the Town of Pineville community to organize your own 150th anniversary event. You will have the opportunity to use the official 150th anniversary logo.

If you would like to participate or need more information, please contact our Town Clerk, Lisa Snyder, at 704-889-2361/lsnyder@pinevillenc.gov.

We look forward to having you join us in our celebration of our beautiful Town of Pineville!

Sincerely,
Ryan Spitzer
Town Manager

THE TOWN OF PINEVILLE IS CELEBRATING THEIR 150TH ANNIVERSARY!

The Town of Pineville is celebrating its 150th anniversary of incorporation and will have a tent at the 25th Annual Fall Fest this year. Committee members will be there each day to distribute free 150th merchandise and manage the ticket drawings. If you attend the Fall Fest,

come by the tent, and get a ticket to enter one of the drawings for some great prizes! The first 150 customers to come to our tent on Saturday, October 21st, will receive a free cupcake, courtesy of BJ's.

We hope to see everyone there!

ATTENTION PCS & PEC CUSTOMERS

Effective Tuesday, September 5, 2023 PCS & PEC business office staff relocated to our new homes located at 505 Main Street Suite 201 (on the second floor of the town hall building). The 118 College Street location is no longer open to the public. The after-hours payment boxes have been drilled closed and payments cannot be dropped at the 118 College Street location. Please be advised that our new location does not currently have a drive-thru kiosk or a payment drop box. We hope to have the free-standing payment drop box installed in the next few weeks. Remember payments can be made online at www.pcsfiber.net, by mail, over the phone, or in person. If you have any questions, please contact us at (704) 889- 2001 (PCS) or (704) 889-2292 (PEC). We are Local...Where YOU Matter!

FIRE DEPARTMENT REMINDERS & TIPS

As Fire Prevention Month approaches and temperatures start to drop, the Pineville Fire Department would like to share a few reminders and tips about fire safety and prevention:

WHEN COOKING, MAKE FIRE SAFETY A PRIORITY BY KEEPING THESE TIPS IN MIND:

- Be alert; if you are sleepy or have consumed alcohol, don't use the oven or stovetop.
- Stay in the kitchen while you are frying, grilling, boiling or broiling food.
- When simmering, baking or roasting, check the food regularly, remain in the kitchen while cooking and use a timer
- Keep anything that can catch fire away from your stovetop.

HEATING IS THE SECOND LEADING CAUSE OF HOME FIRES. FOLLOW THESE TIPS FROM THE AMERICAN RED CROSS:

- Keep all flammables, like paper, clothing, bedding, drapes or rugs, at least 3 feet from a space heater, stove or fireplace.
- Never leave portable heaters and fireplaces unattended; turn off heaters and make sure fireplace embers are extinguished before leaving the room.
- If you must use a space heater, place it on a level, nonflammable surface, like ceramic tile, not on a rug or carpet.
- Keep children and pets away from space heaters.
- When buying a space heater, look for models that shut off automatically if the heater falls over.

WORKING SMOKE ALARMS ARE A MUST / REPLACING THE BATTERY ON A SMOKE ALARM. About three out of five fire deaths happen in homes without working smoke alarms. Smoke alarms are a key part of a home fire escape plan providing early warning to reduce your risk of dying in a fire. The National Fire Protection Association recommends you:

- Install smoke alarms on every level of your home, inside bedrooms and outside sleeping areas on the ceiling or high on the wall.
- Keep smoke alarms away from the kitchen, at least 10 feet from the stove, to reduce false alarms.
- Use special alarms with strobe lights and bed shakers for people who are hard of hearing or deaf.
- Test smoke alarms monthly.
- Replace batteries in your smoke alarm and carbon monoxide detector annually.
- Replace smoke alarms that are 10 or more years old.

MAKE AN ESCAPE PLAN. A home fire is reported every 88 seconds. Once the smoke alarm sounds, a fire can spread quickly, leaving only a minute or two to escape. That's why it's so important to have a home escape plan. Start by drawing a map for your home and follow these guidelines from the NFPA:

- Plan two ways to escape from each room.
- Make sure all doors and windows leading outside open easily.
- Identify secondary routes: a window onto an adjacent roof or a collapsible ladder from a second floor window.
- If you live in a multi-story building, plan to use the stairs – never the elevator.
- Designate an outside meeting place a safe distance from the house.

BECOME A COMMUNITY VOLUNTEER

Volunteer to keep our community clean!

Charlotte-Mecklenburg Storm Water Services offers a variety of programs for all ages and availabilities, such as Adopt-A-Drain, storm drain marking, stream cleanups, and hosted monthly events.

Whether you are looking to just give back to your

neighborhood or need volunteer service hours for school or work, there are plenty of ways to help. Visit StormWater.CharMeck.org and click on the "Volunteer" tile to learn more.

SCOOP IT.

BAG IT.

TRASH IT.

Our furry friends need exercise just as much as we do. Remember to bring a disposable bag when taking them on a walk just in case nature calls.

Dogs eat the food we give them, much of which is processed. Once digested, this food can contain bacteria that is harmful to humans and animals. When it rains, this bacteria flows with rainwater into the nearest storm drain which leads directly to streams and lakes where many aquatic species live. If you need bags for your walks, email Ashley.Smith@MeckNC.gov with Charlotte-Mecklenburg Storm Water Services to get some sent directly to you. Mecklenburg Soil and Water Conversation District also has the Urban Cost Share Program for pet waste stations in neighborhoods. Visit <https://conserve.mecknc.gov/resources/urbancost-share-program> for more information.
