In case such expense is less than the sum which would have been payable under this Contract, if the same had been completed by said Contractor, it is agreed that said Contractor shall be entitled to receive the difference; and in case such expense shall exceed the sum which would have been payable under this Contract, if the same had been completed by said Contractor, then said Contractor shall pay the amount of such excess to said Town after notice of the excess so due.

Any delay in issuance of the Notice to Proceed due to the Contractor's failure to provide the required documentation and consequently not being allowed to begin working on the project will not be sufficient grounds for an extension of the Contract Period.

The Owner shall not be responsible for materials and substances brought to the site by the Contractor unless such materials or substances were required by the Contract Documents. The Contractor shall act at the contractor's discretion to prevent damages, injury, or losses as part of the original Work.

If, without negligence on the part of the Contractor, the Contractor is held liable for the cost of remediation of a hazardous material or substance solely by reason of performing Work as required by the Contract Documents, the Owner shall indemnify the Contractor for all cost and expense thereby incurred. These additional costs shall follow the procedures established for addition compensation and additional time extension to the Contract outlined in paragraph 4 of the Agreement section, regarding additional work.

CONTRACT PROVISIONS FOR FEDERALLY ASSISTED CONSTRUCTION PROJECTS

INTRODUCTION

This project is being financially supported by federal funds awarded by the U.S. Department of Housing and Urban Development under the Community Development Block Grant (CDBG) Program. As a result of using federal funds on this project there are a number of regulations that must be adhered to in order to receive prompt payment for work done under the program.

The information provided on the following pages outlines a number of conditions that the Contractor must abide by in order to enter into a contract for the work described in the specifications and contract drawings.

The following conditions take precedence over any conflicting conditions in the contract:

SEC. 1. APPLICATION TO SUBCONTRACTORS. No money under this contract shall be disbursed by the Contractor to any sub-contractor or agency except pursuant to a written contract which incorporates the conditions listed below to the extent they are applicable.

SEC. 2. DEFINITIONS. As used in this contract:

"HUD" means the Secretary of Housing and Urban Development or a person authorized to act on his behalf.

"Town" means the Mayor and Council Members of the Town of Pineville or a person authorized to act in their behalf.

"Act" means Title I of the Housing and Community Development Act of 1974, as amended, unless otherwise specified.

- C. **Inspection of Records.** At any time during normal business hours and as often as the Town, HUD and/or the Comptroller General of the United States may deem necessary, the Contractor shall make available to the Town, HUD and/or representatives of the Comptroller

General for examination all of its records, with respect to all matters covered by this contract, and will permit the Town, HUD and/or representatives of the Comptroller General to audit, examine and make excerpts or transcripts from such records including contracts, invoices, materials, payrolls, records of personnel, conditions of employment and any other data relating to matters covered by this contract.

SEC. 4. LOBBYING. The Contractor certifies, to the best of his or her knowledge and belief, that:

This penalty also applies to any person or agency that fails to submit or amend the disclosure form (LLL), when required. Failure to submit the required certification may result in payment under this contract being delayed or denied.

- A. Title VI of the Civil Rights Act of 1964 (42 U.S.C. 20000d)** which provides that no person shall, on the ground of race, color, or national origin, be excluded from employment or participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.

The Contractor will take such action with respect to any subcontractor or purchase order as the contracting agency, and may direct the subcontractor or vendor as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event the contract becomes involved in, or threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the United States to enter into such litigation to protect the interest of the United States.

 1. All workers employed by Contractors or subcontractors on construction work costing over \$2,000 and financed in whole or in part under this Contract shall be paid wages at rates not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor and specified in a wage determination.

3. Notwithstanding the above, the Contractor shall not be relieved of liability to the Town for damage sustained by the Town by virtue of any default or breach of the contract; and the Town may deduct the amount of damages from any outstanding payments to the Contractor or may withhold payments until such time as the exact amount of the damages is determined.

C. Termination.

1. If federal funding for this project is terminated and no other funding is available for continuation of this project, the Town will not be obligated to continue funding for the services contained in this contract and may terminate the contract.
2. In the event of termination, all property and finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by or purchased with CDBG funds by the Contractor under this contract shall, at the option of the Town, become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

1. Compliance with Executive Order 11246 - During the performance of this Contract, the Contractor agrees as follows:
 - a. The Contractor will not discriminate against any employee or applicant because of race, creed, color, age, sex, handicap or national origin. The Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, religion, color, sex, sexual orientation, age, handicap or national origin. Such action shall include, but not be limited to, the following: Employment, upgrading, demotion or transfer; recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
 - b. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, religion, color, sex, age, handicap or national origin.
 - c. The Contractor will send to each labor Mecklenburg or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice advising the said labor Mecklenburg or worker's representatives of commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
 - d. The Contractor will not discriminate against any employee or applicant for employment because he or she is a disabled veteran or a veteran of the Vietnam Era in regard to any position for which the employee or applicant for employment is qualified. The Contractor agrees to take affirmative action to employ, advance in employment, and otherwise treat qualified disabled veterans and veterans of the Vietnam Era without discrimination based upon their disability or veteran status in all employment practices such as the following: employment upgrading, demotion

or transfer, recruitment, advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- e. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor. No segregated facilities will be maintained as required by Title VI of Civil Rights Acts of 1964.
- f. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his book, records, timecards, and accounts by the administering agency and the Secretary of Labor for the purposes of investigation to ascertain compliance with such rules, regulations and orders.
- g. In the event of the Contractor's non-compliance with the non-discriminatory clauses of this Contract or with any of the said rules, regulations or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further grantee contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11236 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulations or order, of the Secretary of Labor, or as otherwise provided by law.
- h. The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

2. Section 110, Chapter 69, Title 42, Housing and Community Development Act of 1974 (42 USC 5310) provides that “All laborers and mechanics employed by contractors or subcontractors in the performance of construction work financed in whole or in part with assistance received under this chapter shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 USC 276a-276a-5): Provided that this section shall apply to the rehabilitation of residential property only if such property contains not less than 8 units.”
3. Davis-Bacon Act (DBA) (40 USC 276A-276A-5) provides that contracts in excess of \$2,000 to which the United States is a party for the construction, alteration, and/or repair, including painting and decorating of public buildings or public works, which involve the employment of laborers and/or mechanics, shall contain provisions with respect to minimum wages, fringe benefits, payments without deductions or rebates, withholding funds from contractors to ensure compliance with the wage provisions, and termination of the contract or debarment for failure to adhere to the required provisions.
4. Contract Work Hours and Safety Standards Act (CWHSSA) (40 USC 327-333). CWHSSA provides that work in excess of 40 hours per week shall be compensated for at rates not less than one and one-half times the basic rate of pay. CWHSSA applies to both direct federal contracts and indirect federally assisted contracts except where the assistance is solely in the nature of a loan guarantee or insurance. CWHSSA also applies to maintenance laborers and mechanics employed by public housing authorities.
5. Copeland Act (Anti-Kickback Act) (40 USC 276c) makes it a criminal offense for any person to induce, by any manner whatsoever, any person employed in the construction, prosecution, completion, or repair of any public building, public work, or building or work financed in whole or in part by loans or grants from the United States, to give up any part of the compensation to which he/she is entitled under his contract of employment. The Act also requires contractors on covered projects to submit weekly a “Statement of Compliance” certifying that the contract has paid the required wages.
6. Fair Labor Standards Act of 1938, as Amended (FLSA), (29 USC 201, et seq.) establishes minimum wage, overtime pay (40-hour workweek), recordkeeping, and child labor standards. When prevailing rates apply, in general all the above statutory provisions apply except to the rehabilitation of residential property only if such property contains no less than eight (8) units.

7. Audit, Inspection, and Retention of Records - The Contractor shall permit the Owner, Mecklenburg County, the U.S. Department of Housing and Urban Development, the U.S. Department of Labor, the Comptroller General of the United States, or any of their duly authorized representatives, to inspect and audit any books, documents, papers, and records of the Contractor which are directly pertinent to the Contractor's performance under this Contract until the expiration of three (3) years after the Owner makes final payment under this Contract and all other pending matters are closed. Failure of the Contractor to produce or have available these records may result in debarment.
8. Energy Efficiency - The Contractor shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).
9. Violation or Breach of Contract - If any party violates or breaches any term of this Contract, such violation or breach shall be deemed to constitute a default, and the other parties have the right to seek such administrative, contractual or legal remedies as may be suitable to the violation or breach; and, in addition, if any party, by reason of any default, fails within fifteen (15) days after notice thereof by another party to comply with the conditions of the Contract, the party having provided such notice may terminate this Contract.
10. Termination for Default or Convenience
 - a. The Owner may terminate this Contract, in whole or in part, at any time by written notice to the Contractor. The Contractor shall be paid its costs, including Contract closeout costs and profit on work performed up to the time of termination. The Contractor shall promptly submit its termination claim to be paid to the Contractor. If the Contractor has any property in its possession belonging to the Owner, the Contractor will account for the same, and dispose of it in the manner the Owner directs. The parties agree that the Owner shall not be liable for the cost of the Contractor doing business, his overhead, or salaries if this Contract is terminated.
 - b. If the Contractor fails to perform in the manner called for in this Contract, or if the Contractor fails to comply with any other provisions of this Contract, the Owner may terminate this Contract for default. Termination shall be effected by serving a "Notice of Termination" on the Contractor setting forth the manner in which the Contractor is in default. The Contractor will only be paid the Contract price for services performed in accordance with the manner of performance set forth in this Contract.
 - c. In the event of a strike, fire, flood, or events which are not the fault of the Contractor, or

events that make it impossible or impractical for the Contractor to complete said work on schedule, the Owner, after establishing a new performance schedule, may allow the Contractor to continue work, or may treat the said events as a termination for convenience.

11. Subcontracts

- a. The Contractor shall not subcontract any work to be performed under this Contract to parties listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Non procurement Programs in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549.
- b. The provisions enumerated herein (including Exhibits) shall be applied to and physically be made a part of any and all subcontracts entered into by the Contractor for the performance of any part of the work of this Contract. The Contractor shall notify the Owner and the Mecklenburg County in writing prior to executing such subcontracts so that a pre- construction conference may be scheduled with the subcontractor and Owner to review applicable contract provisions.

12. Section 3 Clause (Applicable if Contract amount is equal or exceeds \$200,000)

- a. The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- b. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the 24 CFR part 135 regulations.
- c. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications

for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- d. The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
 - e. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR part 135.
 - f. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
 - g. With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).
13. Environmental Protection (Applicable if Contract amount exceeds \$100,000) - The Contractor shall comply with the applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15).

14. Build America, Buy America (BABA) Act: On November 15, 2021, the Build America, Buy America Act (the Act) was enacted as part of the Infrastructure Investment and Jobs Act (IIJA). Pub. L. 117-58. The Act establishes a domestic content procurement preference, the Buy American Preference (BAP), for Federal programs that permit Federal financial assistance to be used for infrastructure projects. In Section 70912, the Act further defines a project to include “the construction, alteration, maintenance, or repair of infrastructure in the United States” and includes within the definition of infrastructure those items traditionally included along with buildings and real property.
