Town Manager's Minute

One of the things I love most about working for the Town of Pineville is without a doubt, the people. We're lucky to have some of the finest, most dedicated individuals serving this community every single day. Town government, at its core, is about people. It's about making sure our residents are safe, supported, and proud to call Pineville home.

And none of that happens without our exceptional team.

From our police officers and firefighters who respond to calls around the clock, to our hardworking Public Works crew patching potholes and repairing sidewalks, to our Parks & Recreation staff keeping our green spaces looking their best, each employee plays a vital role in keeping Pineville running strong. So, the next time you see one of these everyday heroes out in the field, give them a wave or a "thank you"—it truly goes a long way!

As we move into summer, we also step into a brand-new budget year. Our Town Council and staff have worked hand-in-hand to create a budget that continues to deliver the high-quality services our residents know and deserve. As part of that commitment, this year's budget includes a small 1.5 cent tax increase. Every penny of this increase is earmarked specifically to enhance and support the Pineville community.

Here's how the increase breaks down: one cent will help fund the debt payment for a much-needed new fire station—an essential upgrade to replace a building that simply isn't keeping up with the needs of a growing, modern department. The additional half-cent will help us bring on a new firefighter to handle the increasing number of emergency calls and to bolster our fire response capabilities for the future.

Of course, summer in Pineville is about more than budgets and buildings—it's about getting outside and soaking up all our town has to offer! Whether you're cooling off at the splash pad, strolling the greenway, or spending an evening at a summer event, there's something for everyone to enjoy. We're especially excited about the brand-new playground coming soon to Lake Park—and we'll be asking you, our residents, for feedback on what you'd like to see there.

Thank you for being part of what makes Pineville such a special place. Let's keep growing, thriving, and celebrating together.

Town History Brief

Pineville, founded in 1873 and named for its abundant pines, originally served as a mule trading center at key Indian trade routes.

It was known as Morrow's Turnout and later became a stagecoach stop and railroad hub with the arrival of the Charlotte & Columbia Railroad in 1852, prompting its name change to Pineville. It is the birthplace of President James K. Polk, and while his original home no longer stands, a cabin from that era is preserved alongside other historic buildings.

In the 1880s and 1890s, Pineville thrived as an agricultural and textile center with the Dover Yarn Mill, later Cone Mill, employing over 200 people by 1902. By 1903, its population reached 700, making it the largest town in Mecklenburg County outside Charlotte.

SUMMER READING

Charlotte Mecklenburg Library

Summer Reading at the Library: June 14 - August 16

Join Charlotte Mecklenburg Library, the Charlotte Hornets and the Grant Williams Family Foundation as we Block Out Time to Read this summer! We invite you to celebrate the joy of reading through daily reading and personalized book choices for all ages. Sign up today at cmlibrary.org/summer

Summer Mondays

For ages 5-11

Join us weekly, Mondays at 2 p.m. for a variety of program themes and special presenters! Visit cmlibrary.org/events for program details and registration requirements.

Shark Week Slime

July 10 | 2-3p.m.

You're gonna need a bigger boat! Teens are invited to sink their teeth into Shark Week and learn more about one of the ocean's most misunderstood members of the food chain. We'll be making our own water slime ecosystem while celebrating one of the top predators in the ocean. This program is for ages 12-18. All supplies will be provided, and this program is provided by Pineville Library staff.

Frogs and Toads of the Carolina Piedmont

July 12 | 2-3p.m.

This talk starts off with an explanation of the origin and classification of the three groups of amphibians. This is followed by an explanation of the characteristics and adaptations of frogs that have allowed them to thrive in wet environments. Finally, 9 frog and 4 toad species found in the Carolina Piedmont are shown, each with a picture and the call they make to illustrate how they can be distinguished. Appropriate cartoons are included that make this topic interesting and enjoyable.

Crafternoon (Pre-Teen)

August 7 | 2-3p.m.

Let's hang out and craft! We'll provide some music, snacks, and art supplies - you bring your creativity! You can bring something you're already working on, create something new with our supplies OR work on one of our ideas!

Charlotte Mecklenburg Library Presents: Opera Carolina Noah's Big Opera Dream

August 9 | 11-11:45 a.m.

Join us for Musical Storytime with Opera Carolina and bring your favorite stories to life! At Musical Storytime, families enjoy a fun reading of stories with live singing provided by Opera Carolina! The Musical Storytime program is designed for preschool-2nd grade audiences but can be experienced by all.

1 on 1 appointments for Technology Tutoring and Job Help

Tech Tutoring: Mondays at 3p.m., Tuesdays at 10a.m., Fridays at 1p.m. & 2p.m.

Meet Your Council

Mayor David Phillips served on the Town of Council of Pineville for 14 years prior to becoming the Mayor. He retired from the Charlotte-Mecklenburg Police Department in 2014 after serving for 30 years, mostly as a homicide detective. The Town of Pineville has been his home since he was 6-years-old, and his wife and 3 daughters were born and raised here as well! The Mayor has been married to his wife, Mitzi, for 43 years and now has 3 married daughters and 5 grandchildren. Mayor Phillips is very passionate about the Town of Pineville and has called it his home for the past 58 years!

Chris McDonough and his wife Diane have been residents of Pineville since 2006. They have two children and four grandchildren. Chris has been involved in real estate sales, industrial development, hotel management, health care consulting and 20 years' experience in various management capacities for a major pharmaceutical company. He has served several years in various positions on the Board of the Pineville Forest Homeowner Association. He has also served on the Pineville Planning & Zoning Board as well as the Pineville Board of Adjustment. In November 2015, he was elected to the Town Council of Pineville. After a four-year break, he was again elected to the Pineville Town Council in November 2021.

Rev. Amelia Stinson-Wesley is in her fifth year on Town Council. She previously served as the District 6 representative (Pineville, Matthews, Mint Hill, south Charlotte) on the Charlotte-Mecklenburg School Board. She and her husband have lived in Pineville for 18 years. Their children attended Pineville Elementary and graduated from CMS schools. She is the senior pastor of Memorial United Methodist Church in east Charlotte and has served on the Town Parks and Rec Advisory Board, the Airport Community Roundtable, and the Polk Site Board. She is committed to a town that is connected and walkable and has a variety of amenities for residents, including a robust Parks and Recreation system and a thriving downtown.

Ed Samaha moved to Pineville 9 years ago with his wife Linda to be close to their two married daughters, Carly and Brett and now their four granddaughters; Lucy, Maya, Sage and Suzi. They are both active volunteers in the Pineville community, volunteering in school reading programs, and Pineville Neighbors Place. Ed is retired now after a successful 40-year career as a senior executive in international operations.

After graduating from UNC- Chapel Hill in 2000, Danielle Moore moved to Charlotte, NC. Danielle has lived in Pineville for over 14 years, and she was elected to the Town Council in November 2023. Danielle ran for Town Council because she wants to be a part of progress in Pineville: walkability, increasing dining, shopping, and residential housing options. Prior to joining the Town Council, she served as VP of her neighborhood's HOA. She is currently employed as a Manager with Lincoln Financial. During her spare time, she enjoys traveling, gardening, experiencing new cuisines, and exercising on the Sugar Creek Greenway.
